AROMATHERAPY BY AROMAR

# From selecting botanicals to bringing their aromas together.

Through joint research with ICAA,
aromatherapists select ingredients and design the blend.
Bringing natural aromas into everyday moments.

HOW TO ENJOY

# Three steps before bedtime

01 **5–10 minutes before bed**

Prepare your pillow and bedding as you wind down.

02 **2–3 spritzes from 20–30 cm away**

Mist lightly onto your pillow and bedding.

03 **Give the mist a moment to settle**

Allow the fabric to dry and the aroma to settle before use.

MORE THAN A BEDTIME MOMENT

# A gentle aromatic mood wherever you unwind.

### Pillows & bedding

A personal aroma ritual before bed

---

### Curtains & cushions

A light aromatic touch on suitable fabrics

---

### Before meditation or stretching

Set the scene for a slower moment

---

Always test on a hidden area of fabric first.
